Annual Report:
Homecoming
2026

Introduction

September 23, 2026

Greetings, Brother!

I hope and trust that all is well with you.

What follows is the inaugural Phi Sigma Kappa Annual Report. As you will recall, at Homecoming 2025, the By-Laws were amended to change the Annual Meeting to Founders Day. At the same time, to keep information flowing, the Alumni Board decided that an Annual Report would be issued at Homecoming. This version of the report includes the information that was provided at past Annual Meetings.

We hope that you find the report informative. Please send your feedback and suggestions. Our goal is to make this Annual Report as informative as possible.

In brotherhood,

Martin Barbato '79
